

OPENING SPECIAL

VIRTUAL SYMPOSIUM

Monday, Aug. 10, 2020

13:00-15:30

THE TRUE VALUE CREATION, ESSENCE OF INNOVATION

Value Methodology has been used all over the world. FABIC'd born in June 2020. Our mission is to improve the technology of the Functional Approach and to expand it's application. And we will continue to cooperate with high-skilled human resources who will open up the future. Create wisdom, from knowledge. We will show the reasons why we continue to implement innovation and create innovation in the industrial world. Presentations of great papers presented at the Value Summit, and an example of the industry, etc.. Please experience true value creation. We look forward to your participation.
